## FOR IMMEDIATE RELEASE

### Full Closure of SR-47 in Los Angeles for Traffic Loop Installation

**LOS ANGELES**— The California Department of Transportation (Caltrans) plans to fully close SR-47 between Gaffey Street and Harbor Boulevard to install traffic loops. The Vincent Thomas Bridge will remain open in both directions at all times.

Work will begin nightly at 7 p.m. to 10 a.m. starting Friday, September 7 through Sunday, September 9.

A signed detour will be posted for motorists' convenience. Motorists should expect delays and are strongly advised to use alternate routes, avoid the area, or use public transit. Additionally, motorists can check traffic conditions before they leave by visiting the Caltrans [Quickmap](#).

This \$1.1 million project has been awarded to Autobahn Construction, Inc., of Orange, California and is scheduled to last until October 2018. Crews will repair and repave various sections of the roadway, which is a major commercial route.

SB 1 provides an ongoing funding increase of approximately \$1.8 billion annually for the maintenance and rehabilitation of the state highway system. SB 1 funds will enable Caltrans to fix more than 17,000 lane miles of pavement, 500 bridges and 55,000 culverts by 2027.

Caltrans is committed to conducting its business in a fully transparent manner and detailing its progress to the public. For complete details on SB 1, visit <http://www.rebuildingca.ca.gov/>.
